

Narrative Bookmark

Main Character:
Who is the story about?

Setting:
Where and when does the story take place?

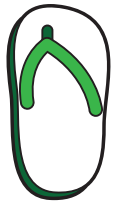

Initiating Event:
What happened to the character to cause him/her to do something?

Internal Response:
(relates to feelings about the initiating event) What are the characters feeling about what happened?

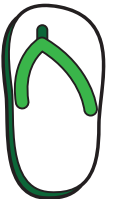

Plan:
What does the character want to do about the initiating event (problem)?

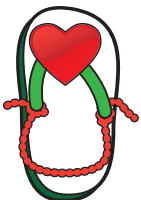

Attempt:
How does the character solve the problem?

Obstacle:
What happened to challenge the character to develop a new plan?

Attempt:
How does the character solve the problem?

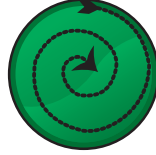

Resolution:
How does the character feel about the consequence?
