It is the dry season
on the African savanna.
Animals come to the
watering hole to drink.

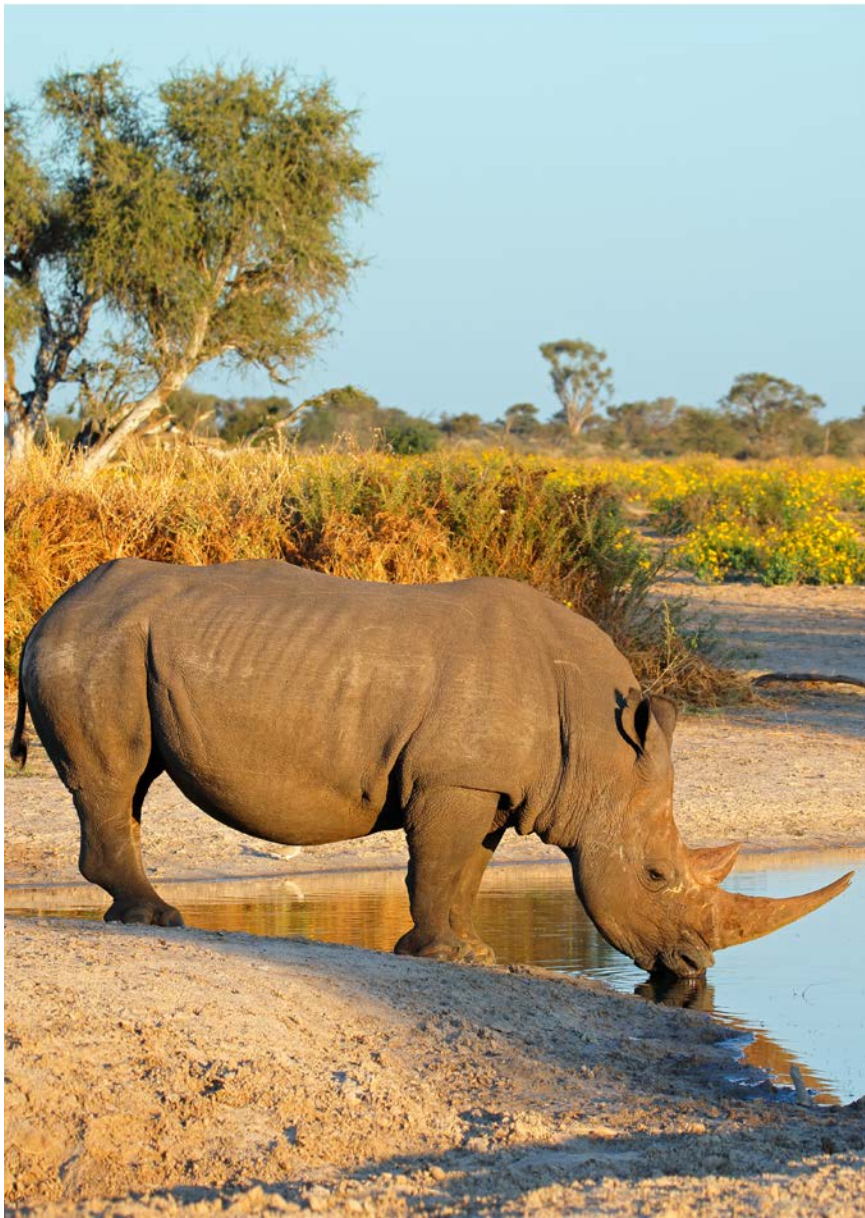

Some animals come alone
to drink.
A small bird bows to take
a drink.

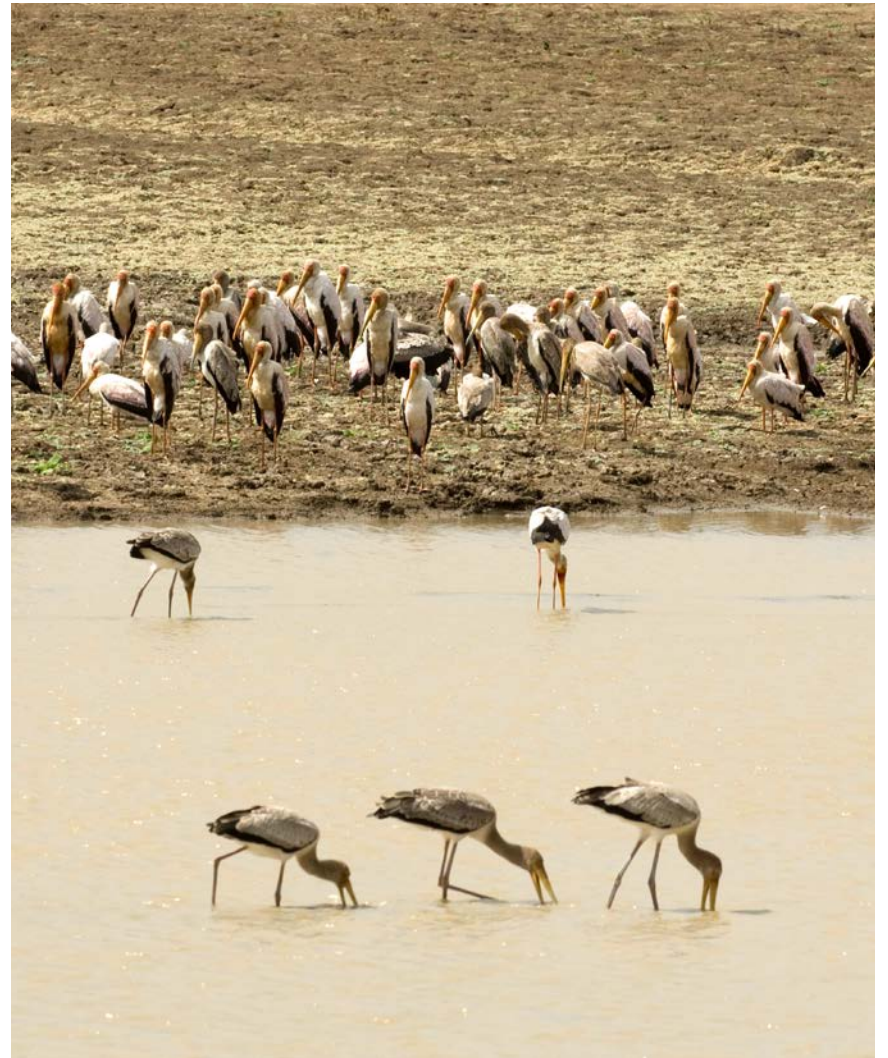

A tall giraffe bends to take a drink.

A big hippo dives to take a drink.

A heavy rhino stops to take a drink.

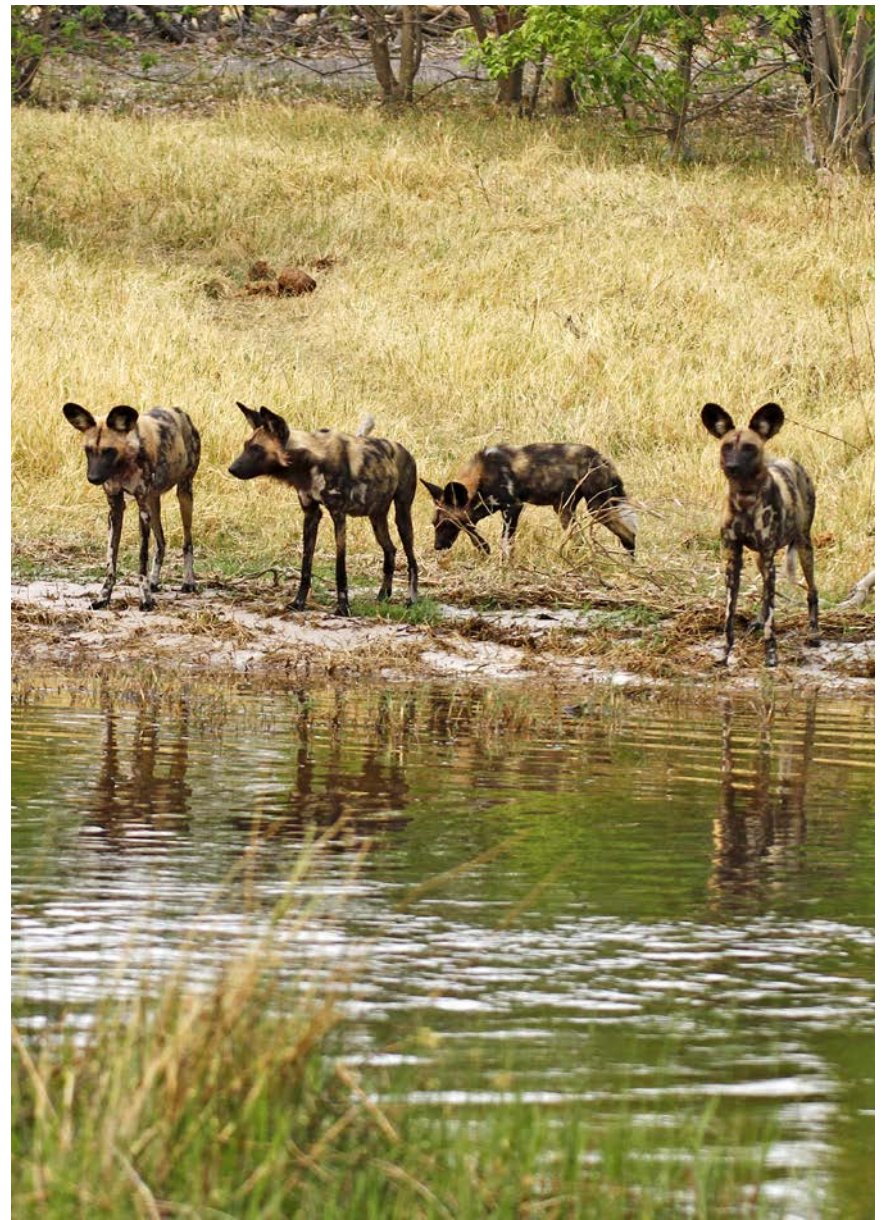

Some animals come together to drink.

A flock of storks comes to take a drink.

A parade of elephants comes to take a drink.

A pack of dogs comes to take a drink.

A herd of zebras comes to take a drink.

Some animals come to drink and hunt.

Lions, leopards, and hyenas look for a meal.
